**GRO  
UP** Het  
scholenplan van  
Groningen

An architectural rendering of a modern university campus courtyard. The scene is viewed from a low angle, looking down a wide, paved walkway made of reddish-brown bricks. On the left is a three-story building with a light-colored brick facade and large windows, each with a red awning. On the right is another three-story building with a similar brick facade but with green awnings. In the center, a large, mature tree with dense green foliage stands prominently. The sky is blue with a few birds flying. Several people are depicted: a person with a backpack is walking away from the viewer in the foreground; a group of people is sitting on a low wall near the tree; and a woman in a blue coat is walking towards the viewer on the right. The overall atmosphere is bright and sunny.

Wie komen er  
in de campus?

An aerial photograph of a suburban neighborhood. In the upper center, a yellow location pin is placed on a road. To the left of the pin is a large green sports field. To the right is a residential area with many houses. In the bottom right corner, there is a large, modern building complex. Various text labels are overlaid on the image in orange boxes.
