Hoe komt de school
eruit te zien?

An architectural rendering of a modern school interior. The space features a prominent red structural frame with large glass panels on the right side, through which an outdoor area with a climbing plant is visible. On the left, there is a long, light-colored wooden counter with a sink and a faucet. A young girl in a green sweater and grey skirt stands on a set of three wooden steps leading up to the counter. A woman in a pink and white striped shirt stands behind the counter, holding a clipboard. In the background, a boy in a blue and white checkered shirt walks towards a round wooden table with four colorful chairs. A boy in a blue shirt sits on a small wooden stool. A girl in a grey jacket and blue shorts stands near the red frame. A boy in a yellow shirt is climbing a set of wooden stairs in the center. The ceiling is white with several long, horizontal wooden beams and several large, white, spherical pendant lights. The floor is a light-colored, textured material. The overall atmosphere is bright and modern.

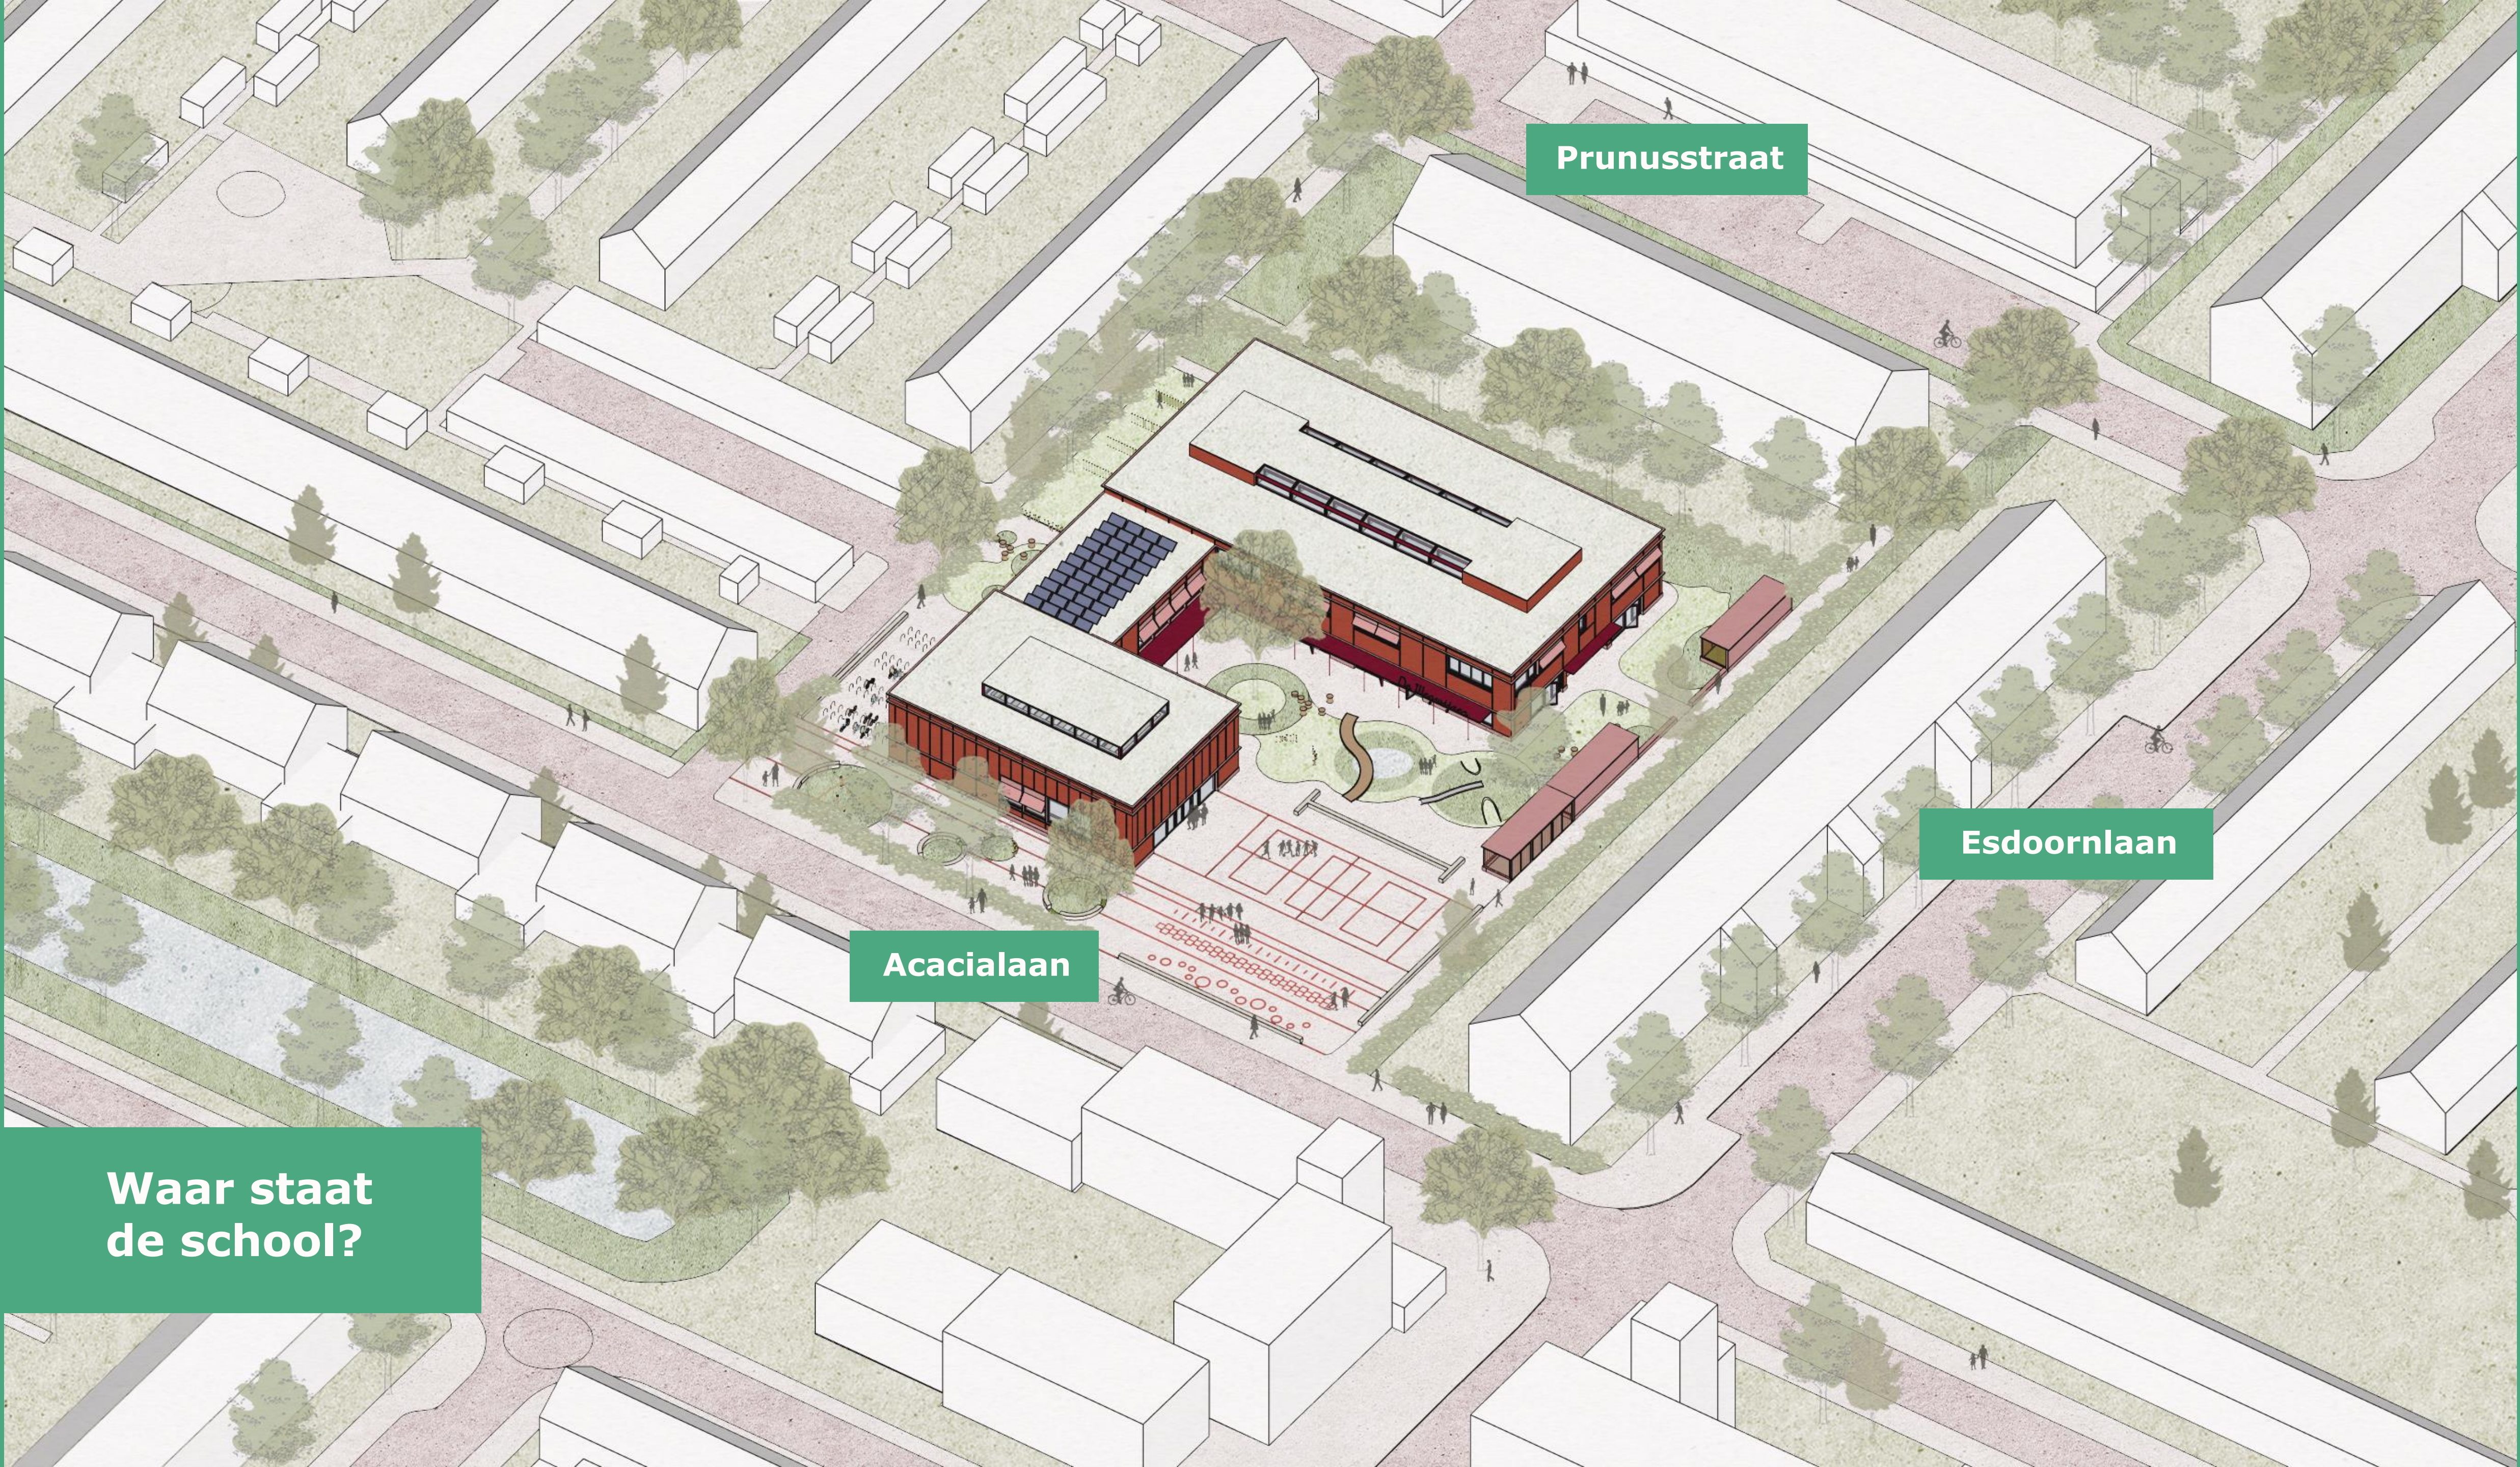

Wie komen er
in de school?
